A very warm welcome to all joining us for this performance of *The Unfriend*.

As The Rep celebrates an incredible 90 years of storytelling, community and creativity in Doncaster, it feels only right to share that milestone with a play that is sharp, surprising and wickedly funny.

For nine decades The Rep has brought people together on stage and in the audience to laugh, reflect and occasionally gasp....Tonight you may do all three.

We have had a blast producing this play, we hope you have the best time watching it.

A special thanks to all at Cast along with The Ukrainian Centre, where we rehearse and sometimes perform, for always making us so welcome. Their kindness is appreciated.

So whether you are a long-time supporter or joining us for the first time, thank you for being part of our story tonight.

Sit back, relax and enjoy the show.....Just be careful who you befriend

The Rep
